

UNITARIAN UNIVERSALIST
ASSOCIATION OF CONGREGATIONS

Dear Synapse Subscriber,

Greetings from the Youth Ministry Office, home of Synapse.

As you may have noticed, you have not received a printed copy of Synapse this year. We were scheduled to publish our annual print issue in August. However, due to a combination of factors, including staff time and a lack of submissions, we have made the difficult decision not to produce a print issue this year.

During this process, we have begun to think about Synapse, the role it plays, and how we can best meet your needs. Since the last round of budget cuts, which relegated Synapse to a single print issue each year, we have gotten many requests for more printed copies.

The Youth Ministry Office has decided that for the present time, we will return to a more frequent print publication. Instead of a submission-driven magazine, we will use a newsletter format, which will feature news, articles, and resources about current Unitarian Universalist Youth Ministry work. This newsletter will come out three times a year, beginning this winter, and you don't need to do anything in order to stay subscribed!

In faith,

The Youth Ministry Office
